

GRADUATE FINANCIAL AID INFORMATION

General Information

Graduate students are encouraged to apply for financial aid to help them meet their educational costs. To receive financial assistance from the University, students must be enrolled in, and accepted for enrollment, in a degree-granting or federally approved certification program at Worcester State University. Applicants must also meet all eligibility requirements and must be in good academic standing. Graduate students are eligible for Federal Unsubsidized Direct Loans. Complete information on financial aid programs, application procedures, and the award process is available on the Financial Aid Office website at <https://www.worcester.edu/financialaid>. Applicants to the University, current students, and their families should feel free to contact the Financial Aid Office at 508-929-8056 or financial-aid@worchester.edu.
