

COUNSELING SERVICES

Counseling Office

The Counseling Center assists students in coping with personal issues that interfere with their academic and personal development and sense of well-being. Students that request counseling support are assessed at intake and future sessions are based on individual clinical need. Same day appointments may be available through our walk-in triage process. On our website (worchester.edu/sp-counseling) students can access free online screenings for a variety of areas. These are available in Spanish, and English..

To schedule an appointment, please contact the Counseling Center at 508-929-8072 or email counseling_wsu@worchester.edu.
