

# WOMEN'S GENDER AND SEXUALITY STUDIES

---

## **WO-100 Introduction to Women's, Gender, and Sexuality Studies**

**LASC Categories:** ICW, DAC, DIV

How do the experiences of women reflect broader structures of power? What is gender? How does sexuality inform the construction of identity and relationships of power? How do gender, gender identity, and sexuality function in intersection with other categories of difference such as race, ethnicity, class, nationality, and ability? How have scholars, authors, and artists made sense of these questions in their own work? In answering these questions, this course will introduce students to the interdisciplinary academic field of Women's, Gender, and Sexuality Studies.
