

THE WASHINGTON CENTER FOR INTERNSHIPS AND ACADEMIC SEMINARS

Worcester State participates in this internship program that combines experience in public, private, or non-profit sectors in Washington, D.C. with academic learning. The internship provides a unique opportunity to explore career paths while sampling the intellectual and cultural diversity of the nation's capital. This internship must be taken for academic credit, so it is imperative that a student meets with the faculty sponsor within his/her academic major early in the semester prior to the proposed participation.

Interested students should contact Michelle Kaelin, Associate Director of Employer Relations, who is the WSU Campus Liaison for The Washington Center (TWC) for Internships and Academic Seminars. She will explain how the application process works, how credits are applied at WSU, and all of the logistics involved in participating in this program. All students who apply to TWC must obtain the approval of the Campus Liaison.
