<sup>1</sup> The sequence of LASC courses marked with <sup>1</sup> is a suggestion but serves as a reminder that LASC designated courses must be taken to satisfy the LASC requirements.

<sup>2</sup> EN-101 with EN-102 satisfies LASC Writing. By the end of Semester Two term, students must have an math placement code of 4 to take MA-150. Alternative in Fall 2 is PS-275.

Students are required to meet with their academic advisor to review their courses for the upcoming semester. A minimum of 120 credits is required for graduation. First-year and transfer students with 45 or fewer credits at the time of admission shall complete two academic programs (a major/major or major/minor) to qualify for graduation. For more information, please view the MajorPlus section of this catalog.
